GREAT CANVASS OF DR. PARDEE IN THE SOUTH.

Senator Lukens Tells of the Splendid Reception Accorded Oakland Man During His Triumphant Tour in the Southern Country.

"Dr. Pardee's canvass of the southern counties is one of the greatest demonstrations of personal popularity and party enthusiasm ever seen in California. Everywhere the doctor is received with manifestations of cordial approval that leave no doubt of the public interest aroused by his candidacy. His meetings are not only large and enthusiastic, but at every stopping place, no matter how small or how brief the stay, Dr. Pardee is greeted by representative citizens anxious to shake his hand and assure him of their support. Among no class is Dr. Pardee received more cordially than by the workingmen."

So spoke Senator G. R. Lukens, who is devoting his entire time to the interests of the Republican standard bearer in this campaign.

"I receive daily advices from the doctor's party," continued the Senator, "and am kept fully informed of everything that occurs on the route. My information covers every point reached and every incident that occurs, and it shows that Dr. Pardee is carrying the whole South by storm.

"On his way South after the big meeting at Sacramento, he was given quite an ovation at Stockton. Major Holt and a considerable body of citizens had gathered at the depot to welcome him and wish him godspeed.

"At Tracy a speaking stand had been erected and draped with American flags, but Dr. Pardee said he preferred getting down and shaking hands with the crowd assembled to making a formal speech. This suggestion was received with applause, and the doctor mingled with the crowd on terms of easy familiarity. He was cheered heartily when the train pulled out.

"Quite a crowd was gathered at the depot in Fresno to meet him, including Senator Rowell and many other prominent citizens. A stop of twenty minutes enabled him to shake hands all round and receive many flattering evidences of good will.

"At Fresno he received a telegram from Kern City asking him to speak there on his way down, and when Kern City was reached a crowd of four or five hundred was assembled. Dr. Pardee received an enthusiastic greeting. Harry Thomas, formerly of Oakland, was on the platform and gave the doctor some encouraging information. He said he had made quite a canvass of Kern county and found that Dr. Pardee would run strong all over the county and would probably carry it.

"A committee headed by Senator Bulla and Judge McKinlay greeted Dr. Pardee when Los Angeles was reached. This was significant because Senator Bulla represents the supporters of Senator Flint while Judge McKinlay is one of the close political friends of Governor Gage.

"All factions of the party in Los Angeles are united and enthusiastic for Dr. Pardee, as the complexion of the committee showed, and was signally demonstrated later by the tremendous meeting at Hazard's Pavilion on his return from San Diego.

"There was a crowd at Oceanside when the train came in, and a committee of San Diego citizens to meet and escort the doctor into the city. At San Diego Dr. Pardee was driven to the Horton House, which had been beautifully decorated with flowers, flags and bunting in his honor by Miss Kate Sessions. He was received by a committee consisting of Waldo Waterman, son of Governor Waterman; Senator Withington, Senator Ward and Mr. Wright. Dr. and Mrs. Pardee and Miss Sessions lunched with the committee. Many citizens called on the doctor at the hotel to testify to their good wishes. In the evening an immense crowd assembled in the Plaza to hear Dr. Pardee speak. From 2,500 to 3,000 were present, and they stayed till the end of the speaking. Mr. Waterman said it was the biggest crowd ever assembled in San Diego. The reception it gave our standard-bearer surprised even the old residents, who predict that the doctor will carry the county by a phenomenal majority.

"On his return to Los Angeles Dr. Pardee was greeted by Teddy's Terrors on horseback, who escorted him to the hotel, firing volleys from their pistols. All the local Republican clubs marched in parade behind Dr. Pardee to Hazard's Pavilion, which was packed by fully 5,000 people. The streets were thronged with people and the doctor was cheered to the echo at every turn. Colonel W. S. Wood of San Francisco was there, and said it was one of the finest political meetings he ever saw anywhere.

"After the speaking, two of Teddy's Terrors—huge fellows, weighing over 200 pounds each—took Pardee up on their shoulders and carried him through the crowd to his carriage, the other Terrors saluting meanwhile with their revolvers. From the Pavilion Dr. Pardee was driven to the Union League Club, where a reception was held. Down in Los Angeles they say they are going to take the banner away from Alameda this year, and the way they are flocking to Dr. Pardee shows they are in earnest about it.

"The longer the doctor stays south, the greater the enthusiasm grows. The ladies vie with men in crowding to see him, showing that the whole community is thoroughly aroused and enthusiastic. Dr. Pardee is standing the canvass remarkably well and will be in good form for the big meeting at Mechanics' Pavilion next Saturday evening."

THE DEMOCRATS NAME COLER.

He Will Make the Run For Governor of New York —Devery is Turned Down by Convention.

SARATOGA, N. Y., Oct. 1.—The following is the Democratic State ticket nominated today:

Governor—Bird S. Coler, Brooklyn.

Lieutenant-Governor — Charles N. Bugler, Oswego.

Secretary of State—Frank M. Ott, Chautauqua.

Comptroller—Charles M. Preston, Ulster.

Attorney-General — John Cuneen, Erie.

State Engineer and Surveyor—R. W. Sherman, Oneida.

State Treasurer—George R. Finch, Warren.

Associate Judge of the Court of Appeals—John C. Gray, New York.

CONTESTED SEATS.

SARATOGA, N. Y., Oct. 1.—Interest centered in the meetings this morning of the Committees on Platform and Contested Seats of the Democratic State Convention. It was conceded that if William S. Devery and his delegates from the Ninth New York District were not seated, there would be troublous times, Mr. Devery having declared he would make an appeal on the floor of the convention. Devery had more than 500 spectator's seats for the convention hall, which were given him by sympathizing delegations from all over the State, quite a large number coming from Tammany delegates. When approached with the suggestion that the wisest way out of the difficulty would be to leave the representation of the Ninth District vacant, Mr. Devery replied:

DEVERY IS ANGRY.

"I will make no such agreement. I won by a big majority, and I am entitled to the seats, unless the Democratic Party wants to go on record as saying that an election certificate is of no value and that the will of the majority means nothing. In addition to that I want to call attention to the fact that Goodwin received the lowest vote on the ticket. Sheehan's party received the second lowest and he does not contest."

After remaining at the rear of the hall for a short time, Devery started down the aisle. In a minute the convention hall was in an uproar. Even the band was drowned out as delegates and friends stood on their chairs and cheered and waved hats and handkerchiefs. "He's seated, he's seated," yelled the crowd, but Devery raised his hand and called out, "Not yet, not yet."

Then arose the cry from one side of the gallery, "What's the matter with Devery?" and back in a roar came the answer, "He's all right."

BOTH KNOCKED OUT.

Shortly thereafter the announcement reached the convention hall that the Committee on Credentials would not seat either Devery or Goodwin. In deciding the Devery contest a number of heated speeches were made, and when it was explained that it was Senator Hill's desire that neither Devery nor Goodwin be recognized, a motion to that effect was carried with but few dissenting votes.

When the report of the Committee on Credentials was called for, Chairman McMahon said:

"In presenting the report I move the previous question."

This was to prevent debate.

When the secretary read "'In the Ninth New York City District neither delegation is entitled to seats in the convention because of the wholesale corruption——'" a roar of cheers and hisses went up and as it continued Devery was seen making his way to the platform. Vainly the chairman rapped for order, vainly a band played. When he reached the platform steps, Devery raised his hands in an effort to stop the pandemonium that reigned. A sergeant-at-arms, with his hand on the big ex-chief's shoulder, tried to force him back to a seat, but he shook him off and started to speak. He said amid cheers:

DEVERY'S SPEECH.

"Democrats of this Convention: Samuel J. Tilden was deprived of his right of franchise as were the people of the United States. We do not want that to occur here today. It was through the work of a clique of this convention that the people of the Ninth District are about to be deprived of a similar right. Mr. Hill, as State leader of the State of New York, we ask justice from you as leader of the Democratic party.

"We do not come here but as honest Democrats to be deprived of our rights."

MUCH EXCITEMENT.

As Devery left the platform not a delegate was in his seat and the gallery was in a wild state of excitement. A Devery delegate got to the platform and attempted to speak. The chair told him that he could not address the convention. Amidst tremendous uproar, he started to speak, but a sergeant-at-arms hustled him down the steps. For fully ten minutes the convention and spectators roared, applauded and hissed, and then as the noise subsided, Temporary Chairman Stanchfield said:

"For the sake of the delegates to this Democratic Convention and those present, I desire to say that the party does not propose to have his voice put down or allow its convention to be run by thugs and ruffians and——"

Here the Devery adherents broke out again and drowned Mr. Stanchfield's voice by cheers for Devery.

FAIR PLAY FOR ALL.

For several minutes it went on and then the chair said:

"I want to say to the gallery, everybody will get fair play. If the gallery does not cease the gallery will be cleared."

Cries of "Try it, Let's see you."

Finally, some semblance of order was obtained and then Devery presented a minority report.

MAJORITY SUSTAINED.

The majority report was sustained, the counties voting in whole or in part in favor of the seating of the Devery delegates being:

Queens, 7 for, 2 against; Suffolk, 4 for, 2 against; Wyoming, 3 for; Yates, 3 for.

All of the other counties voted for the majority report, declaring the seats of the delegates from the Ninth vacant.

When the vote had been announced, Devery left the hall followed by his delegates and friends. There was not much trouble or cheering.

The Committee on Permanent Organization made its report, naming Martin Littleton of Brooklyn for permanent chairman.

LITTLETON'S SPEECH.

In assuming the chair, Mr. Littleton said in part:

"In the very midst of a profound political peace in the nation two years this side of a national election, we find a most extraordinary activity among prominent Republican officials. The President, although strenuously diligent in the discharge of his grave duties, finds it necessary or agreeable, or both, to make a tour of the New England States, speaking at every place of interest. The burden of his vigorous policy at first was an extravagant defense of his cabinet, coupled with a perpetual injunction to his hearers to not hesitate in doing the 'rough work of life.' But something in his keen observation of the people led him to believe that they were not so much interested in his official family and the rough work as they were in the question of regulation of trusts. True to reckless disregard of consequences, he undertook to dispose of the profound economical problems in a skirmish fight. Let it be said in praise of his candor, if not of his ingenuity—that he admitted at the outset the urgent necessity of a strong supervising hand —an admission which the whole Republican Party would rejoice were it unmade.

CAPTAINS OF INDUSTRY.

"He hastened to assure them of a remedy. Simply stated, the remedy is to have all the States meet in due season and first solemnly admit that they are powerless to cope with these harmless 'captains of industry.' Then let the federal government take charge of them and the President solemnly promises that he would see to it that the federal government would control them. In view of the fact that the processes of agreement and enactment will require nearly nine years, it is not too much to say that this is a 'strenuous' promise. This revolutionary remedy would typify trust development by taking the power of all the States and delegating it to the federal government.

TARIFF AND TRUSTS.

The President says that he does not regard the reduction of tariff duties on trust-made articles as an efficient or safe remedy because it would injure the legitimate industries. We do not propose to disturb, we do not propose to attack legitimate industries; we do not seek to take away from them anything that belongs to them, but we propose to withhold the aid of this great government from them; we propose to make them stand alone, we propose to take away the unnecessary protection now afforded them by the government and let the commercial batteries of the world be trained upon them with the shot and shell of competition until they are driven from their entrenchments of protection out into the open field of honest trade.

"Rather than do this the Republican party now proposes to revolutionize the government, change its form and further encroach upon the right of local self-government in States."

COLER NOMINATED.

Coler was nominated on the first ballot, there being no other nominee. Charles N. Bugler of Oswego was nominated for Lieutenant-Governor.

THE PLATFORM.

At the conclusion of Littleton's speech the platform was presented. It calls for steadfast fidelity to American principles, for the lack of which it arraigns the Republican party; demands the return to the principles of Thomas Jefferson to stop demoralization of the county; opposes trusts that injuriously affect consumer and employer and drive out small manufacturers, and especially condemns the so-called beef and coal trusts for "unreasonably depriving the people of necessities of life."

Restriction of the amassing of wealth is advocated and the amendment of the tariff law by placing the necessities of life on the free list is demanded. The Dingley tariff law is condemned as a whole. The President is criticised for dilatory conduct and is accused of not wanting to offend the trusts.

The platform asserts that the proposition to amend the United States constitution to enable the Federal Government to proceed against the trusts is a mere subterfuge to get delay; condemns the neglect of the National and State administrations to enforce the Sherman law and the Donnelly law; favors expansion and objects to this country "aping England in trying to establish a colonial government"; condemns the action of the government in its treatment of the Philippines; demands justice for Cuba in the matter of trade by reducing the tariff to a strictly revenue basis; demands public ownership of the anthracite coal mines by the right of eminent domain and the payment of full damages to owners, so as to insure peace in the mining regions and relieve the consumers; arraigns the State administration for the extravagance in the administration of State affairs; declares in favor of a 1,000 ton barge canal; denounces the present State excise law and demands the return of all moneys received to the country wherever collected; sympathizes with the Jews in Roumania; favors the election of United States Senators by direct vote; condemns the National administration for "trading judicial positions for State aid."

NILES, Cal., Oct. 1.—A gravel train in charge of Conductor Bennett, which left here at 9 o'clock this morning, was wrecked at the south end of the Irvington yard, twenty-five minutes later, blocking the main line for the balance of the day and injuring two employes.

SPLENDID WORK OF F. C. JORDAN

HE MADE A WONDERFUL CANVASS IN THE NORTH.

Frank C. Jordan, candidate for Clerk of the Supreme Court, returned from a tour of some of the northern counties today. In an interview he said:

"I arrived in Eureka September 15th. Took in Eureka next day and on the 17th made a trip to Fortuna, Ferndale, Alton Loleta and other towns. It is a great country. Next day I went to Arcata and the following day to Blue Lakes. Humboldt county is going to give Pardee a great vote.

"On the 20th I started on a four days' trip up the Trinity river on the old trail used by the miners in 1851.

"Crossed at night from South Fork over the mountain to Burnt Ranch. It seemed as if we would never reach the top of the mountain. It was dark as pitch and the guide had to hunt at times for the trail. It was a dangerous trail, too.

"The next day we left Burnt Ranch and passed Cedar Flat, Sandy Bar, Big Flat, Big Bar and stayed at Cox's Bar. These places are familiar to all pioneers. The following day visited North Fork Junction City and arrived at county seat, Weaverville, at 5 o'clock.

"They said I was the first regular State candidate ever in that county. They promised me a big vote.

"The following day I rode by stage fifty miles to Redding. Was there one day and then went to Sisson, [Dunss]muir, Montague and Yreka. [I tell] you I met a splendid recepti[on]. [A] fair was in progress and p[rominent] men were in town from all [over] Northern California.

...NOCKED HIS WIFE OUT WITH ONE BLOW.

LUDWIG MEINHEIT OF BERKELEY IN THE ROLE OF A WOMAN BEATER.

BERKELEY, Oct. 1.—Ludwig Meinheit, keeper of a restaurant on Center streets near Shattuck avenue, while intoxicated and in a fit of rage, attacked his wife and young daughter last night, and had it not been for the timely interference of the guests of the restaurant, one or both might have been killed.

As it was Mrs. Meinheit is badly battered, and her little daughter is sick from the treatment she received at the hands of her father.

The fracas took place in the kitchen of the restaurant about 6:30 o'clock in the evening. Meinheit is of a very quarrelsome disposition, and is particularly ugly, when he has been drinking. He entered the kitchen, and started at once to abuse his wife. Mrs. Meinheit told him to, at least, refrain from quarreling before the patrons of his restaurant. This seemed to infuriate him, and he struck her full in the face, knocking her to the floor. He was following up his attack, when his little daughter interfered, and rushed in to protect her mother. The infuriated man turned his attention to his daughter, and gave her a severe beating. He then turned again to his wife, when attracted by the screams of the mother and child, the guests rushed in and prevented a further attack on his part.

The excitement seemed to clear Meinheit's brain, and hastily packing up a few things, he left the restaurant. He has not been heard from since, and it is thought that he is staying somewhere in San Francisco.

When seen today Mrs. Meinheit refused to discuss the matter. She has announced that no criminal proceedings will be brought. She, however, has employed Attorney Waste, and it is very probable that divorce proceedings will be filed before the close of the week. In this case, Mrs. Meinheit will ask for the custody of their three children, the oldest of whom is but fifteen years of age.

J. F. THOMSON HAS RESIGNED HIS POSITION.

Mr. J. F. Thomson, who, for the past four months has been the very popular and competent local manager of the Kohler & Chase piano and music house, has resigned his position to accept a more lucrative post in another direction. Mr. Thomson, since his short stay in Oakland as the head of the big concern named, has proved himself to be a most practical man in his line of business and has added greatly to the popularity of the house in this city. He is a genial gentleman and one whose services would be most valuable to any establishment he may be connected with.

Mr. Thomson leaves the employ of Kohler & Chase with the regret of all who have had occasion to do business with this favorite institution. Always courteous and obliging he easily made a legion of friends, all of whom will express their regret in learning that the gentleman has severed his relations with Kohler & Chase and leaves Oakland indefinitely. Mr. Thomson will prove a valuable acquisition to any business community.

MANEUVERS HELD AT FORT RILEY TODAY.

FORT RILEY, Kas., Oct. 1.—Attack and defense of a convoy was the war problem worked out in the manouvers today. A blue army operating southwest from Salina, Kansas, with headquarters at that point, was supposed to receive its supplies from Topeka as a base. The railroads were assumed to be broken up and supplies by wagon train rendered necessary. The weather was fine and the attack and defense were of the most spirited character.

The inquest over the remains of Miss Mamie Lampke, the San Francisco woman who committed suicide in this city yesterday afternoon by throwing herself in front of a moving train, will be held tonight at 7:30 o'clock at the local Morgue.

The mother and brother have claimed the remains of the dead girl. The funeral will be held at San Francisco tomorrow afternoon.

HAD A PLEASANT TRIP.

A merry crowd left Oakland in a three-seated rig at 8 a. m. Saturday morning to drive to Redwood Peak. They arrived at the foot of the peak at 11 a. m., where a Belgian hare dinner had been prepared. Among those who enjoyed the trip were: R. F. Jackson, Mrs. Bradley, Miss Fern Frost, Miss M. E. Montgomery, Mrs. Frost, Mrs. Northford.

A BIG COMBINATION.

NEW YORK, Oct. 1.—Efforts are being made to form a $40,000,000 combination of manufacturers and sellers of patented railway supplies, according to the Herald. The proposed company is to include the manufacturers of car roofs, springs, doors, brake shoes and beams.

GEORGE KNIGHT WILL SPEAK.

POPULAR LAWYER WILL BE AT THE BIG SATURDAY NIGHT MEETING.

SAN FRANCISCO, Oct. 1.—George A. Knight will speak at the Republican meeting in the Mechanics' Pavilion next Saturday night. This will be Mr. Knight's first appearance on the stump during this campaign. A rather interesting story is told of his appearance among the list of campaign speakers. When he was requested to speak by a member of the Cutter Committee, so the story goes, he rather curtly responded that he would consult Governor Gage about the matter. Then he was told that Governor Gage had agreed to preside over the meeting.

"I am glad to speak before any meeting that Governor Gage presides over," was Knight's rejoinder. So he was billed to speak. Mr. Knight is indignant at the way the Governor has been used, and does not hesitate to say that the appointment of the Cutter Committee was an affront to every man who supported Gage for renomination.

MORE ROOM AT PRESIDIO.

SAN FRANCISCO, Oct. 1.—In order to make room for a detachment of the Ninth Cavalry, now enroute to this city from Manila, Major-General Hughes has decided to send to Monterey two field batteries, the Fifth and the Eighteenth Companies, for permanent garrison at that post.

SPLENDID WORK OF FRANK C. JORDAN.

The following are taken from State exchanges and concern Frank C. Jordan, candidate for Clerk of the Supreme Court:

AUBURN LEADER.

Frank Jordan's nomination for Clerk of the Supreme Court was a wonderful demonstration of popularity, and was a rare instance where the man's personal favor overwhelmed all political policy and precedent. Jordan and Pardee are both from Alameda county, and the nomination of the latter for Governor would, in the ordinary ethics of a convention, have prevented Jordan's name being presented as a nominee. But the wave of enthusiasm in his favor engulfed all other issues, and Frank C. Jordan, though almost at the bottom of the ticket, was accorded a nomination and ovation that even eclipsed the naming of the Gubernatorial candidate.

FORTUNA ADVANCE.

A party composed of W. F. Price, Internal Revenue Collector for this district, Frank C. Jordan, Republican nominee for Clerk of the Supreme Court and Colonel J. E. Cuddy, Jordan's mascot, spent a few hours in Fortuna Tuesday. The party was under the able guidance of George T. Rolley, Republican nominee for Assemblyman from the Second District. Mr. Jordan is a whole-souled, jolly fellow who makes friends everywhere and who makes friends everywhere and who will be elected by an enormous majority. His mascot, Colonel Cuddy, is also a campaigner of marked ability and the two never miss an opportunity to say a good word for the balance of the Republican nominees, particularly Hon. George C. Pardee, nominee for Governor, Messrs. Jordan and Cuddy will cross the mountains on the hurricane decks of mules and go from Yreka to San Diego during the campaign.

ARCATA UNION.

About the liveliest candidate put in the field by the late Republican State Convention is Frank C. Jordan of Oakland, candidate for Clerk of the Supreme Court. He is now Clerk of Alameda County, a position he has held for eight years past. He started in about six months ago to secure the nomination for the office he now seeks and by force of character, active work and strong friends in Alameda, he was successful, although it is not usual to put two men from the same county on the same ticket.

Mr. Jordan spent part of Wednesday and Wednesday night in Arcata, and probably became acquainted and shook hands with more men for the length of time he was here than any other candidate ever did. He is a jolly, intelligent and good looking man and the person who meets him once will never forget him.

Mr. Jordan left Thursday morning for a trip through the northern counties, going by way of Hupa through Scott's Valley to Yreka, and will make a thorough canvass of all the northern counties. There is no doubt about his election, but he wants to get as large a vote as possible.

EUREKA STANDARD.

Frank C. Jordan of Oakland, Republican nominee for the office of Clerk of the Supreme Court, arrived this morning on the Pomona and will remain in the county several days. This is the beginning of his canvass and he expects before the last of October to visit every point from Siskiyou to San Diego. Mr. Jordan is justly popular throughout the State and will without doubt run ahead of his ticket, which is a sure winner from top to bottom. As the steamer pulled out of San Francisco bay yesterday the bunting was all flying and the band played "Roll, Jordan, Roll." He had been escorted to the steamer by his friends of the San Francisco Press Club and they gave him a hearty send-off. From Eureka he will go to the different points in the county and will take the overland trip by way of Blue Lake and Hupa to Yreka. He is a great boomer and makes friends wherever he goes.

MARYSVILLE APPEAL.

Frank C. Jordan, Republican nominee for Clerk of the Supreme Court, hale, hearty and smiling, arrived in Marysville yesterday afternoon, and last night was about town passing out the glad hand and spieling little spiels in a way peculiarly his own. This afternoon he will go to Oroville.

Mr. Jordan is slowly moving homeward after having made a very thorough canvass of the northern counties. The trip was quite a rough one in spots but despite that and the usual wear and tear incident to a political campaign he appears none the worse for his experiences. Probably the fact that he everywhere has met with great encouragement is responsible for his fine condition and good humor.

Mr. Jordan has developed into a hurricane campaigner. He put up a wonderful fight when seeking the nomination for Supreme Court Clerk, winning out at Sacramento in the wee small hours of the morning in a sensational finish.

Mr. Jordan reports that Dr. Pardee is wonderfully strong in the northern counties. Everywhere he went, he says, he heard good words spoken of the Republican standard-bearer, and he predicts that the doctor will sweep this end of the State.

GREAT MEETING IN EAST OAKLAND

SENATOR PERKINS AND SENATOR LUKENS WILL BE THE SPEAKERS.

A rumor was started today that Senator Perkins would not appear at the meeting in Washington Hall tonight, but it is a canard.

Senator Perkins will be there, and will deliver the principal speech of the evening. He was telephoned to from the rooms of the County Committee, and stated that he had made no other engagement and had no intention of disappointing the voters of the Seventh Ward. So it is a fixed certainty that the Senator will be on hand.

Clinton G. Dodge will be chairman of the meeting and Senator Lukens will deliver an address. The Republican County candidates will also be present, and some of them may speak also.

The Pardee Glee Club will sing campaign songs, and there will be a display of fireworks and a street parade of the drill corps of the Young Men's Republican League.

CONGRESSMAN LITTLEFIELD BILLED FOR OAKLAND.

NEW OFFICES FOR SOUTHERN PACIFIC

SAN FRANCISCO, Oct. 1.—The Bulletin says that arrangements have been made by which the Southern Pacific will take over nine entire floors of the new thirteen story Merchants' Exchange building on California street, which is to replace the present Exchange building. The new offices will be designed to fit the requirements of the railroad people. The demolition of the old building will probably be commenced within a few months.

DIED FROM ASPHYXIATION.

SAN FRANCISCO, Oct. 1.—George Kemoto, a Jap student, twenty-three years of age, was found dead in his room on Fulton street today. Gas asphyxiation was the cause of death. C. Nagano, a Jap from Sacramento, was found dead today in a room on Second street. It was thought that he blew out the gas.

DIX TO BE RETAINED.

SAN FRANCISCO, Oct. 1.—The transport Dix, which arrived from Manila several days ago, is to be retained in the service. Major Devol has received word from Washington, directing him to have the vessel repaired at this port. After that is done the Dix will proceed to Seattle, where she will load forage for Manila.

ELECTION IN GEORGIA.

ATLANTA, Ga., Oct. 1.—An election for Governor and State and county officials is being held throughout the State today. The Democratic State ticket, with Joseph M. Terrell, former State Attorney-General, for Governor, is the only organized ticket in the field, although in some remote counties the Populist Party has put up a ticket.

DEATH OF AN ADMIRAL.

WASHINGTON, Oct. 1.—Rear-Admiral James E. Jouett, U. S. N., retired, died at his home, "The Anchorage," Silver Springs, Maryland, at an early hour this morning. He was 74 years of age and had a long and distinguished career. He was born in Kentucky and was appointed in the navy from that State. He was retired in 1890.

PROFESSOR KIP IS DEAD.

FIRE BALL CHIEF MAKES HIS REPORT

GIVES INTERESTING FIGURES AND MAKES MANY SUGGESTIONS.

At a meeting of the Board of Police and Fire Commissioners this morning, Chief Ball of the Fire Department filed his annual report, which is in part as follows:

During the last year 107 bell alarms have been sounded and 101 still alarms, making a total of 208 alarms. The department has held 93 company drills and have worked 500 hours while attending fires. Twelve hundred and seventy-eight miles have been traveled going to and from the fires and 122,000 feet of hose was laid.

The loss by fire was $47,950.48 and the loss to the insurance companies amounted to $35,620.72. The total expenses of the department for the year is $82,169. This does not include the water bill. The department at present employs 48 full paid men and 81 extra or call men.

The report suggests that new hose wagons be purchased instead of the hose reels now in use. The Chief strongly recommends that all overhead wires be removed and provision made to place them underground. This is particularly demanded in the business section of the city, as the wires greatly hinder the fireman while working at a fire.

It is the opinion of the Chief that the water mains generally should be enlarged. He recommends the placing of a combination ladder and chemical engine at Alden and also one at Golden Gate. He suggests that a ladder and engine house be established on a lot at Twenty-fifth and Broadway that is now owned by the city.

The report recommends that Hose No. 3 be changed to an engine company located at Fourteenth and Adeline streets. It is suggested that a lot be purchased and a building erected for chemical engine No. 1, as this would save the rent now being paid and the amount now paid in rent could be applied on the purchase price. The report of Assistant Chief McDonald was also received and both were placed on file until the Council makes an appropriation to print them.

BERKELEY and STATE UNIVERSITY

Students Think They Are Being Buncoed at College.

Football Team to Visit Los Angeles at Thanksgiving.

Church Federation to Hold First Mass Meeting Tonight.

BRANCH OFFICE, 2121 STANFORD PLACE **TELEPHONE MASON 1761**

BERKELEY, Oct. 1.—With the presentation of the bills for the damage done in the recent student riot on the local train, considerable dissatisfaction has arisen, and many students are outspoken in their opinion that the students' body is being worked as a good thing.

The chief dissatisfaction has arisen over a bill of $63.50 presented by the University itself, and alleged to be due on 200 feet of picket fencing taken by the students and burned.

The students claim that not over a hundred feet of the fencing was taken and that in any case the charge would be exorbitant, as the fencing consisted of old lumber, piled up in sections, and used by the University for fuel purposes.

Considerable dissatisfaction has also arisen over the bill of $42.50 presented by the Oakland Transit Company. The transportation company charges that seventy-five railway ties were stolen from them on the night of the rally. The students say that not over thirty were taken.

While willing to make full amends for the damage done, the students say that they will not be buncoed. S. Bruce Wright has accordingly appointed as an auditing committee Le Roy G. Smith and Robert Sibley. All bills before being paid, must first pass this committee.

The opinion of the student body was expressed yesterday by a prominent member of the Senior class. "For a fire that burned scarcely two hours," he said, "the bon-fire at Wednesday's rally certainly made a record for consuming lumber. According to the bills received 200 feet of fencing, $14 worth of flooring, a number of ladders, and 75 railway ties were burned. This does not take account of the six loads of material which the authorities say they had hauled to the track, to make the bon-fire. Neither does it take any account of the large number of empty cement barrels which were burned. I think that the student body should be made to pay full damages. Some of the bills, however, look as if they would scarcely stand investigation."

The aftermath of the riot at the University is yet to come. The Students' Affairs Committee has definitely announced its intention of punishing the guilty ones. It is thought that the names of a number of students may be dropped from the rolls of the University. Suspension, if taken, will be strongly opposed by the students, who feel that they should be picked out and made to suffer for an action in which all were equally guilty.

The Executive Committee of the Associated Students will attempt to use its influence to secure a peaceful settlement of the affair, and to this end have asked that they be allowed to meet with the Students' Affairs Committee. The joint meeting will probably take place tolnight.

SKA SPECIMENS ARE PRESENTED TO UNIVERSITY.

BERKELEY, Oct. 1. — Announcement was just been made of the gift to the University museum by Mrs. Phoebe Hearst of a large collection of specimens of natural history and ethnology. The collection is of unusual interest, presenting as it does an almost complete ethnological history of the Alaskan peoples.

One of the most interesting features of the collection is found in a large assortment of fur garments, indicating the history of the costuming of the Esquimaux over a long period.

Professor Max Uhle will start at once in arranging and classifying the new collection. The specimens are the result of about five years' work upon the part of collectors.

Mrs. Hearst has also presented a valuable collection of specimens illustrative of the life and history of the Sioux Indians. The two collections are of great value to the University.

FOOTBALL TEAM WILL MAKE THANKSGIVING TRIP.

BERKELEY, Oct. 1.—Ezra Decoto, Graduate Manager of University athletics, was authorized last night by the Executive Committee of the Associated Students to make arrangements for a Thanksgiving trip to Southern California for the football team. The team will go directly to Los Angeles, where they will meet a team from the Los Angeles Athletic Club. A couple of other games may be played before the team's return to Berkeley.

The program for the meeting will be as follows: Opening hymn; scripture and prayer, Rev. W. H. Scudder; selection, male quartet; introductory statement, President Elmer S. Brown; theme, "The Essential Unity of Modern Christianity;" responses by Rev. Hiram Van Kirk and Rev. H. D. Cash; hymn; responses by Rev. C. K. Jenness and Rev. R. L. Halsey; selection, male quartet; responses by Rev. H. H. Dobbins and Rev. F. L. Hosmer; hymn; address, "Church Federation a Means for Attaining Essential Unity," Prfoessor C. S. Nash; selection, male quartet.

The officers of the federation are: President, Professor Elmer E. Brown; Vice-President, Rev. C. K. Jenness; Secretary, Rev. Ben F. Sargent; Treasurer, J. H. Cooper; Executive Committee, E. E. FRESHMEN DEFEAT BERKELEY HIGH SCHOOL IN FOOTBALL.

BERKELEY, Oct. 1.—The Freshman football team defeated the Berkeley High School team yesterday afternoon on the campus by the score of 17 to 5. The High School team scored in the first half on a place kick from about the twenty-yard line.

During the first half the Freshmen were unable to score more than one touch down. They found no difficulty in puncturing their opponents line for gains of from three to five yards. The ball would almost invariably be lost at a critical moment, however, on fumbles, and the High School team would kick the ball to safety and the weary march down the field would begin again.

The game put up by the High School students was the very opposite. They found it almost impossible to make gains through the Freshmen's line. Fake kicks and long runs around center netted large gains for them.

In the second half the Freshmen picked up and managed to score two touchdowns.

The line-up was as follows:

Freshmen—Center, McCoy; right guard, Gray; left guard, Reed; left tackle, Middleton; right tackle, Lindley; left end, Giesting and Edwards; right end, Edwards; quarter, Gillis; left half, Bosbyshell; right half, Johnson; full back, Stern.

High School—Right end, Solinsky; right tackle, Dugan; right guard, Merritt; center, Mincher; left guard, Kerr; left tackle, Bastin; left end, McQuestrin; quarter, Monson; left half, Kruse; right half, Helm; full back, Patton.

The Freshmen will play a team from the Lick School of San Francisco on next Thursday afternoon.

MISSIONARY SOCIETY ELECTS ITS ANNUAL OFFICERS.

BERKELEY, Oct. 1.—The Missionary Substitute Council of the First Presbyterian Church has elected officers for the year as follows: President, Dr. J. E. Kelsey; Vice-President, Mr. Whitney; Recording Secretary, Mrs. H. H. Rice; Financial Secretary, Miss Kathryn Wickson; Treasurer, Miss Sarah Davis.

The report of the society showed that during the last year $322 had been given to missions and $150 had been given toward building a chapel in Bangkok, Siam. The company partially supports Rev. Walter Mitchell, a home missionary in Melrose, a mining camp in Montana.

TALKS TO COLLEGE MEN ON BUSINESS LIFE.

BERKELEY, Oct. 1.—Thomas Addison, Pacific Coast Manager of the General Electric Company, spoke last night before the college Young Men's Christian Association upon "The Claims of Business Life Upon College Men." This was the second of a series of practical life-work talks. At the next meeting, a week from last night, Rev. Dr. Baker of the First Presbyterian Church of Oakland will present the claims of the ministry upon University trained men. This will be followed by talks upon the other professions.

LEASE REFUSED FOR FOOTBALL GROUNDS

BERKELEY, Oct. 1.—The athletic managers of the Stanford and the State University have been notified that the Eighteenth and Dolores streets grounds upon which they were relying to play the intercollegiate football game on November 8th, will not be leased to them. The reason for the change on the part of the owners is that a Jewish cemetery was formerly located on the grounds and that one of the societies owning the place will not give its consent to the lease.

The game will now be played on the Richmond tract near Golden Gate Park. The new grounds are easy of access, but are thought to be located too far from the center of the city. Both the intercollegiate game on November 8th, and the Freshman game on October 18th will be played on these grounds.

KINDS WORDS FOR HON. V H. METCALF

Vallejo voters should by no means forget Victor H. Metcalf. It is well understood that he will be elected by a handsome majority, but that is no reason why our people should fail to show their gratitude for the splendid work he has done in our behalf in Congress. The proper way to show this is to give him an overwhelming vote next month. That will be a tangible evidence of our appreciation and one that will prove highly satisfactory to Mr. Metcalf. He is entitled to a strong expression of the esteem in which he is held in Vallejo, and should, in fact, get the largest vote on any ticket.—Vallejo News.

WILL BOYCOTT AT HAYWARDS

CLERKS AND EMPLOYERS DECLARE ALL STORES MUST CLOSE ON SUNDAY.

HAYWARDS, Oct. 1.—The Clerks and Employers' Association of this place, recently organized for the purpose of closing the stores of Haywards on Sunday has already run against a snag in the shape of several unruly merchants who will not sign the petition nor close their respective places of business on Sunday. A meeting of the Association was held Monday night for the purpose of devising ways and means of inducing those persons who have refused to go with the majority to close their doors on Sunday. The meeting was well attended, all the officers and nearly all the business men in Haywards being present. J. Prioste, a fish dealer, was mentioned first as one of the merchants who had refused to close his place of business as the other merchants had agreed to do. Cavilga and Company, fruit and vegetable dealers, also were mentioned. It was stated during the meeting that H. Hauschildt, the jeweler, had said he was going to open his store next Sunday and that the contract he had signed was not binding. There was no actual proof that he had made such a statement, but the members were of the opinion that he would do so.

Hauschildt was among the first to sign the agreement, but should he or any other signer open their doors on Sunday, the members of the Association have threatened to boycott them in a way they will not soon forget. It was unanimously decided that should the fish market and the fruit store be open next Sunday that walking delegates will be placed in front of these stores and circulars passed about town advising the people of Haywards of the way in which these merchants were acting. A regular boycott will be declared against any business establishment that opens its doors on Sunday in Haywards. In this step the members of the Association are emphatic. They propose that all the stores are closed in order to protect those who were willing to go into the scheme in the first place.

A number of the members of the Clerks' and Employers' organization will meet in front of Hauschildt's store next Sunday morning, so states a member of that body, and see that that merchant does not violate the agreement.

The Sunday closing movement has suddenly jumped into favor with the announcement that Haywards has succeeded in closing its stores. Many attempts had been made here during the past few years and each one met with failure, but now that the proposition has gained such strength, the business men of surrounding towns have interested themselves in the plan and it is probable that before long the stores of Mt. Eden, Alvarado and other places will be closed on Sunday. San Leandro has succeeded in closing its stores half a day on Sunday, and the merchants of that town are now working to secure an all day closing proposition.

The members of the Haywards Association of Clerks and Employers are interested in the plan to such an extent that every member is willing to put up as much money as is needed to back their scheme should such action be necessary to continue the present closing plan.

CLUB WILL GIVE A DANCE.

The members of the Y. M. S. Club, which is composed of a number of young men employed at the cannery, are preparing to give a dance in the near future. The club is not the Young Men's Social Club of Haywards, but an entirely different organization.

MAY PURCHASE DIAS TRACT

NO DISPOSITION HAS AS YET BEEN MADE OF ELMHURST PROPERTY.

ELMHURST, Oct. 1.—It is now apparent that A. L. Stone will purchase the property known as the Dias Tract, which includes a large tract of land in the center of Elmhurst. The tract includes forty-five acres of land on which is located eight dwelling houses, the Willows Hotel, Dellenbaugh's hardware store and the old lumber yard of the E. B. and A. L. Stone Company. The lease which Stone has held on the Dias property for the past ten years expires this month. At the expiration of the ten years Mr. Stone has an option on the purchase of the property at $50,000. Should he not purchase this tract and Dias refuse to extend the lease, all the buildings now located there would revert to the original owner of the property. It is very plain that Mr. Stone would not give up these buildings, having, as he has, enough property in the center of town on which to have moved them had he intended giving up the land.

It was thought for a while that the Realty Syndicate would buy the property and reduce the car fare between here and Oakland to five cents, and in that manner boom Elmhurst. But unless the sale is being contemplated to be made through Mr. Stone, it is not probable that such an exchange will take place. It is also claimed that Mr. Stone may, or has secured, a five-year continuation of his lease, but the matter has not been made public. The tenants of the Willows building and the cottages on the property have been in no way informed of a change and it is a plausible conjecture that Mr. Stone will purchase the property outright at the price named in the lease.

PROSPEROUS CANNING SEASON

SAN LEANDRO CANNERY STILL PUTTING UP MANY TOMATOES.

SAN LEANDRO, Oct. 1.—The cannery season is rapidly drawing to a close. To the canners this has been a prosperous season. They have secured their fruit at very low figures and the market for canned fruit has been the best. In fact, it is reported that all the outstanding fruit, packed last year and stored in the canneries, has been sold, together with this season's pack. This is indeed a record, as it is not at all unusual for several carloads of fruit to be left in each cannery at the close of the season.

At the local cannery quite a large force of employes are putting up tomatoes and a few pears. Several carloads a day are being shipped and the season will be wound up within a few weeks.

The growers were the losers this year. They received poor prices for nearly every line of fruit, and especially for apricots and pears, which brought from $10 to $15 a ton against $25 and $30 of previous years. Dried fruits also netted discouraging returns. Should the market be cleaned out this season, as present indications are that such will be the case, next season will undoubtedly be a more profitable one both for the growers and packers.

SOME LARGE APPLES.

Antone Rodgers recently sent East some samples of apples grown on his place in San Leandro. The apples are of the Gloria Mundi variety and some of them weighed 30 ounces. They were extraordinarily fine specimens of fruit grown in San Leandro and are a proof of the fertility of the soil and the great climatic possibilities of this district.

MAY BUY PIANO.

San Leandro Lodge of Odd Fellows is contemplating the purchase of a fine new piano. The instrument, which is one of extra fine tone and appearance, has been placed in the hall for trial. In all probability the lodge will purchase the instrument, as it has met with the favor of all the members who have seen it.

EWING FOR AUDITOR.

The Auditor is one of the most important offices in the county government. His office does not carry much patronage nor is it highly lucrative, but a great deal depends upon the fidelity of the incumbent. He is literally the watch dog of the treasury. It is his duty to see that no public money is expended save in accordance with law and that the revenues are properly collected and apportioned. For these reasons the tax-payers are peculiarly interested in having a capable and trustworthy man in the Auditor's office. They have such a man in J. Cal Ewing, who has filled the office to the entire satisfaction of the public for the last four years. The Auditor's office has never been better managed. Its affairs have never been in better shape.

Mr. Ewing was thoroughly familiar with county affairs when he entered upon his duties as Auditor, having been for four years the chief deputy of the County Clerk, and he wisely surrounded himself with assistants whose competence and integrity cannot be questioned. A better office force or a better managed office cannot be found in the State. During Mr. Ewing's incumbency not a complaint has been heard about the Auditor's office, and the report of every Grand Jury shows it to have been admirably administered.

Wisdom suggests that such excellent administration be continued. It cannot be bettered, and it can easily be made worse. No mistake should be made in filling the office of Auditor, for ignorance or carelessness may cost the taxpayers thousands of dollars. Unless there are abuses to be corrected or there is a substantial prospect of improvement in administration no change in the office should be thought of. It is always an experiment to place offices of this character in the hands of untried men, unfamiliar with the duties they have to perform, and it is of more than doubtful expediency to displace a man of proved capacity and integrity for one whose qualifications are problematical.

As for Mr. Ewing personally, he is too well known in this community to require any introduction. His word is as good as his bond, and his official record has always been worthy of commendation. He has lived in this city for many years and is respected as one of our most energetic young men. In his hands the affairs of the Auditor's office are entirely safe. The public can rely upon the office being managed competently and satisfactorily, and for that reason Mr. Ewing is going to be re-elected by an overwhelming majority.

As the nominee of the Republican party he deserves the vote of every Republican in the county, but his record in office invites the support of all citizens who desire sound and capable management of the affairs of the county government.

A press dispatch says John A. McCall, President of the New York Life Insurance Company, has raised $150,000 for the Democratic campaign fund. It is also worthy of note that among the Tammany delegates to the Saratoga Convention were McCall, James B. Stillman, President of the National City Bank; J. Edward Simmons, John G. Carlisle, Daniel Lamont, William C. Whitney, and other trust magnates. They did not all attend the convention, but their names appeared on the roll and their proxies were voted. This is an indication of the value of Democratic anti-trust professions.

Notwithstanding Colonel Mau's statement that the cholera in the Philippines was under control the natives continue to die like sheep. A dispatch says that up to last Monday over 5,000 deaths had occurred in the island of Panay. This is nearly two per cent of the total population of the island.

ALAMEDA'S TOURNAMENT.

Plans for the big card tournament next Friday evening in Harmonie Hall, Alameda, given by society ladies as a benefit to the Alameda Woman's Charitable Association, are well under way. There will be 125 tables and 500 players at whist and euchre will compete for prizes at one time.

Philip S. Teller and Dr. C. L. Tisdale will be in charge, respectively, of the whist and euchre rooms. George H. Mastick and Frank Colburn will have charge of the door. The committee on prizes is assisted by George Tyson and Principal George D. Kierulff. The decorating committee, consisting of Mrs. Frank Otis, Mrs. E. J. Dodge, and Miss Mollie Kane, will have the hall decked most artistically in honor of the occasion, commencing the work Thursday morning.

MRS. ADAMS ENTERTAINS.

Mrs. John Charles Adams was the hostess yesterday afternoon at a most enjoyable impromptu luncheon given to six guests. The dining table was gracefully decorated with pink roses and pink candelabra, and the little favors were rose-colored hearts. The guests were Miss Geraldine Scupham, Miss Blanche Powell, Miss Marietta Havens, Mrs. Charles Kellogg Litan, Mrs. Walter Hughes Henry, Mrs. Adams and little Miss Adams.

A CHURCH WEDDING.

William Hammond Jr., formerly catcher for the Oakland baseball team, and Miss Annie Guy were married last night in St. Patrick's Church in this city. None but the immediate relatives and a few intimate friends of the young couple witnessed the wedding ceremony, which was performed by the Rev. J. B. McNally Jr. Miss Julia Hammond, a sister of the groom, was maid of honor and William J. Rogers, a brother-in-law, was best man. After the marriage a reception was held at the residence of the bride's father, William Guy, at 941 Union street, Alameda. Later the newly wedded pair departed for San Jose and other southern parts, where they will spend their honeymoon.

PERSONAL AND SOCIAL.

Miss Helen Lohman, whose return to the East and Europe was unavoidably delayed, and who has been the guest of Miss Elizabeth McNear on Linden street, left on Sunday night for Tucson, A. T., where she will visit Mrs. James Gamble, nee Ritter, for a few days.

Miss Katherine Henneberry left this morning for a three months' visit to the East, and will visit friends in New York, Chicago, Boston and Wisconsin before her return.

Mrs. Hoadley, Mrs. M. W. Hale's mother, is to arrive shortly from Providence, R. I., and will spend the winter with her daughter.

WOMAN PLEADS NOT GUILTY

Mrs. Julia Mayo, the woman arrested for attempting to steal a watch and a purse containing nearly $20 in coin from the room of John K. Haller, proprietor of a loding house at 72 San Pablo avenue, made her appearance in the Police Court this morning to have her trial set on a charge of petit larceny.

The woman is without an attorney and when she entered her plea of not guilty, she stated that she would conduct her own case.

In default of bail money Mrs. Mayo will remain in the City Prison until October 7th, when her case will come to trial.

HOW NEW YORK WILL GET HER COAL

NEW YORK, Oct 1.—A plan is said to have been outlined at the meeting of coal road presidents just held in this city for the supplying of coal, first to the dwellers in the tenement districts; second to the hospitals, and third to the transportation companies. The coal will be sold by the pail or the basket or at a rate proportionate to the wholesale price to which the cost of freightage has been added. This will insure to the purchaser who now pays twenty-five cents for a pail of poor coal, or seventy-five cents for a bushel, good coal at a less cost than he had to pay even before the strike began and when coal was at its normal price. With these wants filled the diminishing bins of the various ho be replenished and the str will be supplied.

SAN LEANDRO VOTERS ARE FOR THE REPUBLICAN TICKET.

CANDIDATES ARE GIVEN AN ENTHUSIASTIC RECEPTION IN THE COUNTRY TOWN—MANY SPEECHES ARE MADE.

The Republican county candidates visited San Leandro last night and were given a welcome by the citizens of the prosperous town which shows that the campaign is in full swing and that enthusiasm for the grand old party is running high. When the nominees reached their destination they were escorted to the hall by the San Leandro brass band, amid the discharge of fireworks and the shouts of the people. A feature that enlivened the meeting was the spirited contradiction of several campaign lies. Judges Greene, Hall and Melvin refuted asperions which are alleged to have been said against the Alameda Judiciary, especially relative to the charge that the Superior Judges were afraid to try the case of the Contra Costa Water Company and also in relation to the statement that forty per cent of the cases appealed from the Alameda bench was reversed by the Supreme Court. The dignity of the language of the Judges and the thoroughness of their explanation of the position of the Judiciary on both questions was a rebuke of the campaign lie which was applauded to the echo by the audience.

The hall had been tastefully decorated for the occasion. Streamers of bunting hung from the dome of the building to its centers. A large American flag adorned the platform from which the candidates spoke.

The meeting was called to order by [illegible] Roberts, County Central Committeeman. A. C. Carey was chosen to preside over the meeting and introduce the speakers.

W. E. GREENE.

Judge W. E. Greene was the first speaker called on. He was greeted with applause. He spoke as follows:

"We are here to meet you tonight to see what manner of men are running on the Republican ticket. It is a duty we owe the citizens of the county. It is not within my province, hardly, as a Judge of the Superior Court to make a speech to you."

JUDGE HALL.

Judge Hall was the next speaker. He said:

"I have been a candidate before and have been honored by the people. I am under obligation to the people and will ever be grateful to them which ever way the election goes.

"It is not often that Judicial candidates speak of political issues. Suffice for me to say that I have not seen anything in the Republican Party or its candidates which would cause me to desert it." (Applause.)

JUDGE MELVIN.

[illegible] A. Melvin was next [illegible] took up the theme of [illegible]e said: [illegible]sh to speak disrespect[illegible]ponents. Certain state[illegible]at relative to one, two [illegible] putting up the county [illegible]osh and nonsense."

[illegible]N J. ALLEN.

[illegible]n. District Attorney, [illegible]peech, but roused his [illegible]gh pitch of enthusiasm. [illegible] that all the candidates are [illegible] more or less shots from the [illegible] I do not believe it is a [illegible] to pay too much attention to what is said on the spur of the moment, or from the heat of campaign poison. The prejudices of men make them say things which in their calmer moments they would be ashamed of."

JOHN P. COOK.

John P. Cook, candidate for County Clerk, was given an enthusiastic reception when he arose to address the meeting. He said:

"Politics like personal encounters are apt to get one's blood heated. The one who loses his temper in either case is in a bad way. When you are mad you generally say things which you don't mean and which you will have cause to regret. The candidates on the Republican ticket have refrained from criticising the opposition. We are willing to concede they are all honest men.

"There is not a township in the county but what is represented on the ticket. This is the first time in the party that such has been the case. Yet they tell you that it was a fixed ticket. Why every candidate had his home delegation behind him. When your neighbors will run you for office I think it speaks well of the party, the way its is run and the candidate himself.

"I promise you a good administration of the affairs of the County Clerk's office if I am elected. I have been chief deputy there for four years and am acquainted with the affairs of the office. If the voters will repose their confidence in me I will try to merit it."

JOHN MITCHELL.

Supervisor John Mitchell, candidate for County Assessor, made a happy speech and was given an ovation. He said:

"I believe I was also attacked last night in this hall. I was fortunate in having a friend here who refuted the statements made. It has been said that I voted to reduce the Contra Costa Water Company's assessment. This is untrue, and not because I say so, but because the records in the Clerk's office will show it to be untrue. I never voted for one dollar's reduction. When the opposition resorts to misrepresentation it is in a pretty bad plight. I think you will find them in a bad plight after the 5th of November." (Applause.)

JAMES BARBER.

James Barber, candidate for County Tax Collector to succeed himself, was also given a hearty welcome. He said in part:

"It seems that the Republican candidates have been unwarrantably attacked by the opposition. I do not know whether it has fallen to me as well. If I have been criticised I am willing to stand by my record for vindication. I trust the voters of this town will not be misled by such statements but will support the Republican ticket from top to bottom." (Applause.)

J. CAL EWING.

County Auditor J. Cal Ewing made a one minute talk. He was applauded the moment he was recognized when he got up. He said:

"You have heard the speechmakers and the story tellers. I am neither, but will earnestly request you to vote for the ticket straight from Dr. George C. Pardee to Constable Ramage." (Applause.)

JOHN MATTOS.

John J. Mattos, candidate from the Forty-sixth Assembly District, was well received. He promised to discharge his duties faithfully if elected. He also paid a compliment to Harry Lynch, candidate for Superintendent of Schools, which was much appreciated by the audience.

OSCAR ROGERS.

Oscar Rogers, candidate for Sheriff to succeed himself, delivered himself of a happy speech and was roundly applauded when he sat down. He promised a good and honest conduct of his office.

HARRY LYNCH.

Harry Lynch, candidate for County Superintendent of Schools, was well received. He spoke on the free text book question and was listened to with marked attention. He made the distinction between county and city schools very plain. When he made the statement that if elected he would see that no boy lost an hour of school because he was poor, he was cheered to the echo.

ROBERT GREIG.

Bob Greig of Berkeley, candidate for County Recorder, was called on next. He promised a good, economical administration if elected.

ARTHUR FEIDLER.

Arthur E. Feidler, candidate for County Treasurer, was also given an enthusiastic reception. He promised an honest administration and thanked the people for their past favors.

GEORGE GRAY.

George Gray, candidate for Public Administrator, was also well received. He promised to conduct the affairs of the office so as to warrant the confidence reposed in him.

Constable Ramage also made his bow to the audience asking for his re-election.

H. B. MEHRMANN.

Coroner Mehrmann made a speech which thrilled the audience. He touched upon the issues of the campaign in a spirited manner and was interrupted a score of times with applause.

E. C. PRATHER.

E. C. Prather also addressed the meeting. He promised a faithful administration of the affairs of the County Surveyor's office if elected.

Judge Prowse also spoke briefly.

SUPERVISOR TALCOTT.

Supervisor Talcott was given a tremendous ovation when he responded to the call of his name. The applause lasted several minutes. He said that he was in the hands of the voters and would abide by their decision.

DR. ROWELL.

Dr. H. N. Rowell of Berkeley concluded the speechmaking by an effective appeal to the voters to support the entire ticket.

DEFENSE BY THE REV. FLUNO.

REPLIES TO REV. SHAW'S ATTACK ON THE CHRISTIAN SCIENTISTS.

Rev. Dr. Fluno, pastor of the Christian Science Church, makes the following reply to the sermon delivered last Sunday evening by Rev. Carson Shaw of the Church of the Advent:

"In last Monday's newspapers our attention was called to the words of the Rev. William Carson Shaw relating to the proof of the healing of the sick by Christian Science.

"We ask a little space in your paper for a few words in reply.

"The Rev. gentleman made the following statement: "Whatever apparent success has attended Christian Science, it is no doubt due to the so-called healing of the sick. I doubt not but few of its adherents are at all familiar with the metaphysical aspect of it.

"In rejecting the theology, or metaphysics of Christian Science, he rejects the very evidence or proof which Christian Science gives for its healing effects upon suffering humanity. The 250,000 books entitled "Science and Health, with Key to the Scriptures," (which is the text book of Christian Science), that are being read by as many more people, and who, through its instruction, are enabled to minister successfully to the relief of the sick, is evidence of an understanding of a practical Christianity which cannot be refuted or denied.

"It is true that many come to Christian Science just for the healing; and these, for the most part, have been to the physicians, and have had their case diagnosed, not only by one physician, but by many, and been pronounced, after months and years of treatment, as incurable.

"Christian Science has not only healed them physically, but has given them joy and peace, and a theology which, in the language of the text-book "Meets every human need."

"He suggests that, in order to furnish proper proof for evidence of the healing, that the Christian Scientists form a bureau of information where all cases of sickness shall be passed upon by a Board of Physicians.

"Why ask the Christian Scientists to do what he would not ask of the physicians?

"It savours somewhat of 'An evil and adulterous generation, which seeketh after a sign, and no sign shall be given.'

"And if the evidence already given is not enough, 'Neither will they be persuaded, though one rose from the dead.'

"F. J. FLUNO."

PRESIDENT GIER TO ENTERTAIN

HIS COUNTRY HOME WILL BE SCENE OF FESTIVITIES NEXT SUNDAY.

At a meeting of the Merchants' Exchange last night, the matter of certain parties imposing upon the public by selling benefit tickets for persons not existing, was again taken up for discussion, but the subject was postponed until next meeting when some definite action will be taken.

J. F. W. Sohst called attention to the action of the city poundmaster hauling dead animals through the public streets during the day time. He thought this was violating a city ordinance and upon his motion, the Garbage Committee was requested to communicate with the City Council and have that body compel the poundmaster do his work of hauling dead animals after dark.

President Theo. Gier of the Exchange invited the members and the Alameda County Supervisors to spend next Sunday at his country home near Napa. The guests will leave this city on the 8 o'clock train from the Sixteenth street depot and will return in the evening. Mr. Gier was heartily thanked for his invitation and most of the members expressed their intention of going.

COLONY LIFE.

Effect of Climate Overcome by Proper Food.

The necessity of pleasant, nutritive and proper food is highly appreciated in the Philippines, particularly by Americans unused to climate and native custom in cooking.

One of our soldier boys writes: "In this land of bad food and disordered stomachs, a nearly fatal attack of malaria left my digestion for many months in such a state that food of any kind distressed me terribly. I suffered from the effect of drugs, but dared not eat. It was simply misery to live. The so-called remedies only seemed to aggravate my sufferings.

Some friend suggested Grape-Nuts Food, and I gave it a trial. To my surprise and pleasure, it did all and more than was claimed for it. I am now, after using the food for eighteen months, in good health; my digestive apparatus in perfect order, and I have long lost all feeling of pain or discomfort after eating. In fact, I live again. I would not be without Grape-Nuts for the world. It is not only the excellent effect of your food that renders it valuable, it is also delicious to the taste, possessing flavor of its own, and can be prepared in many ways to suit many palates." TALE OF A HORSE AND A MAN'S TROUBLES

BONDY CRONER MUST PAY FOR THE ACTS OF HIS SERVANTS.

Because George Johnson, a colored servant, attempted to test the speed of a horse his master, Bondy Croner, was intending to purchase from Jasper S. Jackson, Croner has expended over $1,000 in law suits and there is more to come.

Three years ago Croner, who is a manufacturer in San Francisco, agreed to purchase from Jasper S. Jackson, a blooded horse, together with a buggy, for $225.

The colored servant, Johnson, was sent to get the animal. He tried to break a record with the spirited animal, with the result that the horse ran away, broke the buggy and injured itself.

Croner refused to buy the horse after the wreck. A suit brought by Jackson before Justice of the Peace La Rue resulted in judgment being given against Croner. An appeal was taken but judgment was affirmed. The case was taken to the Supreme Court, which sustained the two lower courts.

The horse was then sold by the Sheriff to satisfy the judgment against Croner. The horse brought $200 which was given to Jackson.

During the appeals in the case Jackson had possession of the horse. As the courts decided that during all this time the horse was the property of Croner, Jackson put in a bill for feed and grain. The bill was repudiated by Croner and Jackson brought suit. He recovered $169 for the board of the horse. Today an attachment was placed on Croner's San Francisco place of business to secure the judgment of $169.

On Wednesday next W. A. Dow, attorney for the plaintiff, will bring an additional suit for the board of the horse subsequent to the second action.

As the case now stands, Croner is out $1,000 for law suits; he is also minus the horse, has to pay two judgments, with the probability of paying a third judgment.

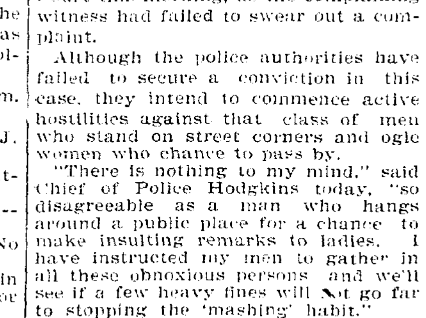

POLICE WILL ARREST THE CORNER MASHER

The case of William Perry, the young man arrested for attempting to "mash" Mrs. Martin, the wife of a druggist, was dismissed in the Police Court this morning, as the complaining witness had failed to swear out a complaint.

Although the police authorities have failed to secure a conviction in this case, they intend to commence active hostilities against that class of men who stand on street corners and ogle women who chance to pass by.

"There is nothing to my mind," said Chief of Police Hodgkins today, "so disagreeable as a man who hangs around a public place for a chance to make insulting remarks to ladies. I have instructed my men to gather in all these obnoxious persons and we'll see if a few heavy fines will not go far to stopping the 'mashing' habit."

BANQUET IN HONOR OF CHAS L. INGLER

Last night there was a social gathering at the Maison de l'Opera, in which all the leading millmen of the city sat around the banquet board in honor of Charles L. Ingler, who for years has been at the head of the mill firm known as Ingler & Atkinson.

The banquet served a dual purpose. It brought to a close the third year of Mr. Ingler's presidency of the Mill Men's Association and accentuated his retirement from business for an indefinite period, which he will devote to the regaining of his health, which in some degree has been impaired.

Mr. Ingler has disposed of his interest in the well-established mill at the southwest corner of Washington and Fourth streets and will be succeeded by his former partner, Mr. Young.

The menu was a luscious one and after it had been disposed of cigars were served and speeches complimentary to Mr. Ingler and expressive of future success and a speedy restoration of health were delivered by every one present. Among the guests were Messrs. Eugene Hundly, Wm. Mann, John Mole, A. Kendall, Hugh Hogan, E. Reed, George Pape, J. Dreisbach, A. Sorenson, B. McManus, M. Dalziel, J. Miller, John Towle, J. McGrew, R. The communication further suggests that $150 be appropriated for the purchase of a hose-wagon for the department. The communication was ordered sent to the Council.

Chief Ball reported that he had been experimenting with oil-burners in the engine heaters and finds that with oil the cost of maintenance is about $131.40 per year, as against $292.50 for coal, a saving in fuel in one heater alone of $161.16.

GRAPE PICKING.

Grape picking in the valley vineyards is now on in earnest, as the recent hot spell has ripened the grapes to such an extent that rapid picking has become necessary. The owners this year have no complaint to make on account of the scarcity of labor, as pickers are very plentiful. The price paid for picking this year is $1.50 per ton and, as the crop is quite heavy, reasonable wages can be made.

WILL COLLECT SUBSCRIPTIONS.

Today the members of the Merchants' Exchange will commence an active canvass for funds to assist in defraying the cost of constructing the tunnel which will connect this county with Contra Costa County. This was decided at a meeting of the Merchants' Exchange last night. The Exchange has opened its subscription books, as it has pledged itself for one-fifth of the cost of the tunnel, or about $14,000.

On the Contra Costa side of the tunnel, work was commenced last Monday and teams are now grading the approach to the tunnel.

It was decided last night to transfer $2,000 from the treasury of the Exchange to the Tunnel Fund and place it at the head of the subscription list. J. M. Stow has already come forward with $500 and many others have pledged themselves for like sums.

Secretary Wilbur Walker stated that Attorney Naphtaly of San Francisco said he would give several hundred dollars, and also offered to assist the committee in collecting from other sources.

A letter was read from Supervisor Stow giving a list of those in Contra Costa county who would be probable subscribers to the Tunnel Fund.

Those who sign the subscription list will sign the following agreement:

"Oakland, California. On demand, we, the undersigned, agree to pay the amount subscribed hereto, set opposite our respective names, to William Moller, treasurer of the Tunnel Fund; all money collected to be paid over by the said William Moller by order of the Merchants' Exchange of Oakland to the Board of Supervisors of Contra Costa county to assist in the construction of the tunnel and road connecting the counties of Contra Costa and Alameda."

THE STRENUOUS LIFE.

A Great Strain.

No one disputes the fact that we are living in a "rapid" age; it is rush, rush, rush from morning until night, and competition is so fierce that the struggle does not cease until the machine is worn out. Women, too, even when surrounded by every comfort, become infected by the common spirit and what with their clubs and many social duties, have no time to give thought to their physical well-being, until they are suddenly brought to a sharp realization of the fact that nothing in their lives is so important as attention to correct, or rational living. It may surprise the readers to learn that women are more prone to piles than men, and in most cases, because it is difficult to impress upon them the importance of regular movements of the bowels; irregularity means straining at stool, and straining means piles, with the certainty (under the usual methods of treatment) that the sufferer will "have them always with her;" by "usual methods" is meant the application of salves and lotions, or (as a last resort) a surgical operation. If there is a complaint which entails more distress and suffering upon those afflicted, than piles, or hemorrhoids, it is not known to the writer; fortunately, however, these are learning that there is a remedy that effectually cures all forms of piles; it is known as the Pyramid Pile Cure, is in suppository form, is applied directly to the parts, and does its work quickly and painlessly; it is sold by druggists for fifty cents a package, or will be mailed by the makers to any address, upon receipt of price. Mrs. John H. Castona, 2942 Arch St., Chicago, says: "I must write you that I was cured of a very aggravated case of itching and bleeding piles by the use of the great remedy Pyramid Pile Cure, even after several physicians had claimed there was no cure except by an operation. I am well now, and owe all to this valuable remedy. I cannot say enough for it." Write the Pyramid Drug Company, Marshall, Michigan, for their little book on the cause and cure of piles.

TRUST IN OUR FLOUR MILLS.

BIG DEAL IS NOW PENDING IN SAN FRANCISCO.

SAN FRANCISCO, Oct. 1.—The Post says that the owners of Pacific Coast flouring mills are considering the offer of an Eastern syndicate to enter a combine with a capital of $25,000,000.

Willard Green of New York, the agent of the Easterners, came to San Francisco last Wednesday, and after a few hours of talk with the Sperry Milling people, left for the north.

In Portland he conferred with the Portland flour mill people, and then jumped to Seattle, where the Centennial Mill is located.

The Eastern man has also seen the Puget Sound mill people of Tacoma.

Horace Davis, president of the Sperry Company's interests, which include twenty mills, admits that Willard Green is negotiating for the Sperry property, but declines to tell what stage the proceedings have reached.

Ninety days was the time set for the formation of the syndicate. The ninety days will expire December 1.

PAID THE PENALTY OF HIS CRIME

NOME, Alaska, Sept. 19, via Seattle, Oct. 1.—Fred Hardy, convicted of killing Con and Rooney Sullivan on Unimak Island, June 7, 1901, was hanged at 9:40 this morning. The execution took place in an addition built to the ice house on the lot opposite the jail. Hardy's neck was broken in exactly nine minutes and in forty-eight seconds the pulse ceased to beat and the physicians present declared his life extinct. He died without asserting his innocence. The death warrant was read to him in his cell by Marshal Richards and a few minutes later the procession started for the gallows.

MOTHER TRIES TO TAKE HER LIFE

SAN FRANCISCO, Oct. 1.—After a quarrel with her daughter last night, Mrs. Sarah Sam, proprietress of a lodging house on McAllister street, locked herself in a room and turned on the gas. She was found this morning and taken to the Receiving Hospital. The physicians say she will die.

HOTEL CHANGES HANDS.

The Hotel Touraine has changed hands, Captain J. R. Richards having sold his interest in the hostelry to Col. E. H. Blair, late of St. Louis, Mo. The hotel will be continued on the American plan and conducted as a first-class hotel, with all the requirements necessary to make it inviting to guests.

EXCURSIONS TO THE EAST.

Those contemplating an Eastern trip will be interested to know that the Rio Grande System is operating via The Scenic Line of the World daily excursion cars through from the Pacific Coast without change to Denver, Kansas City, Omaha, Chicago, St. Louis, New York, Boston and intermediate points.

These are the Pullman Ordinary or Tourist sleepers, provided with comfortable berths, bedding and linen of the Pullman standard. They have separate lavatories, are well lighted and heated, and in fact only differ from the more expensive "standard" cars in the character of the upholstery and inside finishing.

Besides the colored porter, an Excursion Manager accompanies the cars for the sole purpose of looking after the welfare and comfort of his party.

There is no charge beyond the regular railroad and sleeping car rates to those who accompany these excursions.

If you are interested, let us quote you the lowest rates and give you more details, and also furnish you with illustrated books descriptive of the grandest mountain scenery on the American Continent.

nother Piano Selling Sensation!

entire present retail stock of Pommer-Eilers to be closed out. A ten days' sale without parallel. The very choicest brand-new high-grade Upright Pianos and Grands. Payments of $5, $6, $8 or $10 monthly may be arranged for at sale prices plus simple interest; additional 4 per cent inducement to cash buyers.

LOOK INTO THIS

home-owning man, to every home-making woman of California, pplied with that greatest of all refining agencies, the modern iano, we are offering this week an opportunity of most extra- erest.

ost notable sale of pianos in the history of the West will be in- ty Pommer-Eilers Music Co. A piano sale of most extraordinary ce—first, because of the high quality; second, because of the im- ssortment, and third, because of the low price of the pianos.

e instruments in this sale will be found regularly in our stock. They ot gathered for "sale" purposes, but are from our established lines. maker's guarantee, backed by Pommer-Eilers, with every instrument.

IT MAY NOT BE KNOWN

It may not be generally known, but it is nevertheless a fact, that almost every American piano factory is seriously handicapped because but very few dealers buy their instruments from them for cash. Pommer-Eilers Music Co. is one of but very few large houses in position to pay cash with order. The discounts thus to be secured are enormous.

During the dull summer months our buyers have been quietly at work in Eastern manufacturing circles. Spot cash with order secured for us not only the very finest pianos, but also the very lowest wholesale or cost prices. Then the railroads did their share. Anxious for our business, they offered concessions in freight that in some instances amounted to a saving of fully two-thirds the usual rate. The Pommer-Eilers system of shipping in harness, which effects another saving of at least $125 a carload, was recognized and adopted by the transcontinental lines.

THREE SOLID TRAINLOADS

But the former high rates will be restored next Wednesday. Every piano not on the way by that time pays the old-time high freight rate.

The exceptional demand for pianos from every section of the United States, the increased cost of every article entering into the construction of high-grade instruments and the greatly increased wages that all the better American factories are paying today makes it impossible for pianos to be obtained hereafter at anywhere near the figures at which our contracts were closed.

Anticipating these conditions, shipments amounting to practically three solid trainloads of pianos and organs are now en route to our several stores. This is, undoubtedly, the largest shipments of pianos ever undertaken on earth, and, as indicated before, our profits have already been made in the buying of the instruments, and we in turn pass the benefits along to our retail customers.

YOUR BENEFIT AND OUR OPPORTUNITY

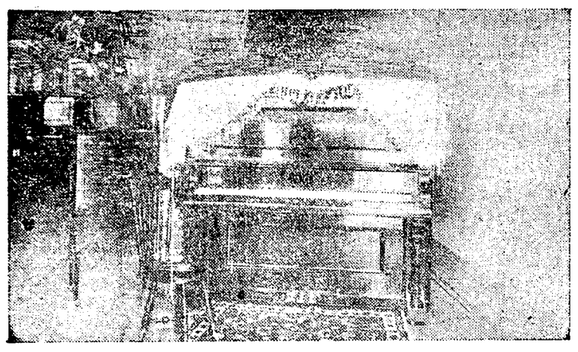

No better opportunity could have come to use for strengthening our position for our future public service as America's greatest piano retailers.

And on account of this we are in position to not only retain our former low prices, but we shall be able to effect additional reductions on many lines.

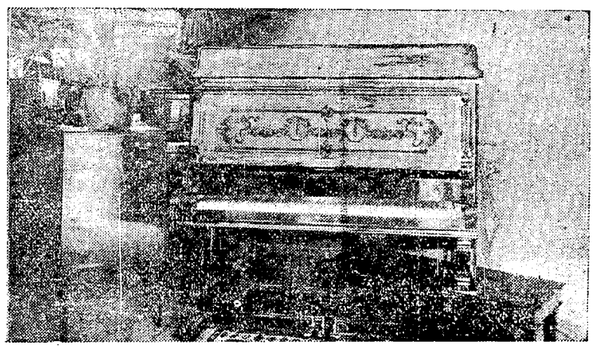

And henceforth the Pommer-Eilers Music Co. will stand as the great piano price regulators of the West as they have stood as the giant profit killers in the piano business ever since their establishment.

And in order to effect a speedy readjustment of stock and prices, and, as a celebration of this new epoch our floors are to be cleared of all surplus styles, and they are to be cleared quickly.

We offer, therefore, our entire retail stock of Pianos and Organs at such prices and on such easy terms of payment as will dispose of each and every instrument now here during the next ten days, at the end of which time these salesrooms are to be practically vacant and ready to receive and to display new stock now on the way. PARDEE WINS VOTES IN SOUTHERN COUNTRY.

SAYS HE WILL BE GOVERNOR FROM DEL NORTE TO SAN DIEGO—MRS. PARDEE ENJOYS THE TRIP.

A ANA, Sept. 30.—George C. was welcomed this afternoon rside and in the afternoon he Santa Ana where he was given tion that delighted him. The cans in this part of the State husiastic over his candidacy for r and at every place visited on his southern tour no pains en spared to make manifest the regard for him. In some towns e had not previously been the hat he was rather cold and in demeanor was spread and arance there dispelled the false ion produced by this gossip as ple found him unpretentious, and cordial.

e has not adopted any tricks nere politicians. He wears his arb and behaves as before his ion. He has not laid aside coat and white cravat. It is some places where Lane has him that the Democratic can- who ordinarily is nicely groom- appareled, has cultivated a ess of attire lately and does barbered before addressing of workingmen.

Hays, chairman of the River- publican County Committee, A. A. Caldwell and Wilfred M. ccompanied the Pardee party rning to Riverside from San ino, where they went to meet e Riverside Reception Com- was composed of twenty-five ominent in that community. had a band at the depot and it e way to the Reynolds Hotel, for an hour the Republican rd bearer was introduced to citi- who poured in [illegible] his Badges bearing [illegible] name on men's coats [illegible] treet. uncheon Pardee [illegible] the Opera House [illegible] a d persons [illegible] The ould ha[illegible] twice as ark.

[illegible] of his friendship for or- d, after speaking of experienced in this Democratic National , he said:

ink that the Democratic believe what they say ert that this State elec- nection with or bearing airs. They make the eve, with a little se- to what they really should overturn two years ago e Democratic elec- tion it would give notice to the East that this State no longer wants a protective tariff on its products, and the East might be glad to take it off." The Republican nominee's declaration of personal independence was vigorously applauded.

"I shall be the Governor myself," he said, "and all my official acts, good or bad, wise or foolish, will be mine alone. No man will be abe to say to me that I shall do this or do that. I will be the Governor of California from Del Norte to San Diego, and for the whole breadth of the State. Every man and woman in the State can look for and shall receive from me equal and exact justice so far as it is possible for frail human nature to give it, and my course shall always be with an eye single to the benefit of the people of my native State."

AT SANTA ANA.

Bryant Williams, who presided, said: "Never have the Republicans of Orange county been so satisfied with the administration of both National and State affairs as during the last four years. The Republicans of this county admire Henry T. Gage, but our delegation voted as a unit for Dr. George C. Pardee." Cheers were given as Pardee arose.

"I have come here," he began, "to let you look at me, hear the ring of my voice, and see if within me lies the possibility of a good Governor of California. It is not easy to run for Governor, even in Republican California. Unpleasant as well as pleasant things have been said of me, and I want you to decide whether I ring like a good dollar or one made of base metal."

He repeated his views in favor of organized labor, and his statement that the protective tariff policy is involved in this campaign. Lane's now familiar utterance to the effect that he desired to be elected so that his son, on becoming a man, may be able to say that "daddy" helped to build up California was then parodied by Pardee.

"It will not be long," he said, "before the 4th of November will be upon us, and I expect, about the beginning of January, to move to Sacramento with Mrs. Pardee and our four children (applause), and when my four children are grown up not one of them, but all of them. I want them to be able to say, 'My daddy helped to build up the State of California.' (Laughter and great applause.) When I take office in January I shall then, and until the end of my term, be Governor myself. I shall expect to hear from people of every class and condition, and not to hear from one man or set of men alone. If a thing strikes my judgment as a good thing to do I'll do it, and if it strikes my judgment as a bad thing I will not do it, and that is all there is about it. (Great applause.)

PROMISES ONLY LOYALTY.

"You will notice that I am not making any great promises, but I will tell you this—I am a plain, every-day Californian. Forty-five years ago last July I was born in San Francisco. I have done nothing for which I was put in jail. (Laughter.) I have done nothing for which I am very much ashamed. I have lived in California all of my life. I have lived in one town forty years and I intend to live in California during my remaining years. I will be loyal to the people of this State whom I love, and loyal to them alone."

Then Pardee sat down and other men stood up and cheered. Frank Mattison, Captain Daniels and Duncan McKinlay also spoke and a quartet gave campaign songs. Mrs. Pardee is sharing with her husband the honors of the trip and is enjoying the tour. At Riverside she was entertained and loaded with flowers by Mesdames A. A. Caldwell, H. T. Hayes, M. J. Daniels, C. H. Low and G. D. Lewis.

At Santa Ana Mrs. Dr. Bruner, Mrs. E. S. Wallace, Mrs. G. H. Amergle, Mrs. Dr. Howe and Mrs. George S. Smith attended to her comfort. Tomorrow Pardee goes to Santa Barbara.

"September 13, 1902.

"Dear Sir: As you are a member of the Committee on Municipal Improvements of the Merchants' Exchange, I desire to recommend for your consideration the purchase of the two blocks of land bounded by Fifth, Seventh, Linden and Adeline streets in this city for a play ground. This land is almost vacant, the improvements being confined to one corner. Everywhere it is found that playgrounds are a necessity and are beneficial in giving the children of the poor in crowded districts healthy exercise and thereby preventing the acquiring of vicious habits by idleness.

"Numerous instances of the beneficial effect of play-grounds can be furnished if you so desire. In the crowded districts of New York City the only playgrounds are on the roof of the school [illegible] stories up. San Francisco has leased play grounds. Surely Oakland can do better in owning its grounds. One only need look at the location to see the ideal place for a play-ground.

"You are doubtless familiar with the property, and I trust you will give this recommendation your earnest consideration. We are not doing civic improvement for this decade. Respectfully submitted,

"ANNE M. CUSHING.
"MRS. J. M. CUSHING,

FINE FEATURES AT THEATERS

The production of "After Dark" at the Dewey Theater, with the well known actor, James M. Ward in the role of Old Tom, is a dramatic treat. The play has been in course of preparation for a number of weeks and the rehearsals have been carried on with more than the usual attention to detail. Mr. Ward is an actor of unquestioned ability. He is known all over the Coast as one of the most painstaking performers of the present time and everywhere he meets with the warmest appreciation. Mr. Ward is ably supported by the Stevens Stock Company and especially by Ervin Blunkall, Lyllian Atwood and Maurice Stewart. The play will run all the week.

THE MACDONOUGH.

There was another excellent presentation of "Under Two Flags" at the Macdonough Theater last night, in which all the members of the Shirley Company appeared to advantage. There was a large and appreciative audience. Tonight the same company will appear in a clever production of "The Deacon's Daughter," in which Jessie Shirley will appear in the title role.

CONTRACT BREAKER WELSH WHIPPED TO STANDSTILL

HE HAD TO BE CARRIED TO HIS DRESSING ROOM—ACME CLUB WILL GIVE A GOOD EXHIBITION.

Louie Long, a popular young boxer from the Reliance Club was matched to fight one thin individual named "Spider" Welsh, who comes from the Seal Rocks near the Cliff House, in the arena of the West Oakland Athletic Club last night. A large crowd was present, although the whisper went around that the "Spider" would break his contract through cold feet, as he lately did with the Reliance Club.

But the "Spider" and some of his admirers appeared and the club management breathed easier. When the men entered the ring, "Red Sam" McClernic, the manager of Welsh, loudly announced that he would order his man not to fight, as he claimed that the articles called for Charlie Tye to referee, while the club had substituted Jack Williamson, as the former was sick.

Then the element around the "Spider's" corner, headed by "Red Sam" commenced to object to the judges and time-keepers, until it looked like the San Francisco fellow had another epidemic of contract-breaking. Finally Welsh's followers had to content themselves with the officials the club had selected and the men donned the gloves.

The first round had hardly started when Long was seen to wink at his seconds and from all over the hall came the cry of "Put him out now, Louie." It was really the rankest exhibition of attempting to fight on Welsh's part that has ever been made by any one before the club.

From the second round on Welsh acted on the advice of his seconds and did a foot race about the ring, except when he was lying on the mat taking a much needed rest.

Time and time again did the clang of the gong save the "Spider" from being knocked out and it was only by his highly developed sprinting powers and ability to hang on to his opponent that enabled him to last out the ten rounds.

If the showing made by Walsh is the best that is in him, the Reliance Club is to be congratulated that he jumped his contract with them, while the West Oakland Athletic Club made a grave mistake in matching so inferior a man with clever Louie Long.

The judges and the referee unanimously gave the decision to Long, while the "Spider" had to be assisted to his dressing room.

Both preliminaries were good. "Dixie" Kid won from young McConnell in the fourth round and George Brown beat Bill Bevitt out of the ring in two rounds.

HERRERA GOES INTO TRAINING

BAKERSFIELD LAD GOES TO WORK AND ABE PLAYS ON THE SAND.

Aurelio Herrera, who is to do battle with Abe Attell, the Chicago lightweight, in the arena of the Acme Club on October 15, left his Bakersfield home last night in company with little Boby Johnson and is now domiciled at Croll's place in Alameda. Here he will do his training, using the clever bantam for his sparring partner. Herrera will be under the tutorship of Biddy Bishop and the boxing students figure it out that Biddy does not often get behind a loser.

Abe is busily fitting himself 'neath the shade trees near Golden Gate Park and will soon commence to take long runs on the Cliff House beach. Attell does not believe in getting into too fine condition so long before he enters the ring and will consequently do only light training for a time.

Besides fighting for a fat purse, the winner of the contest will have the privilege of meeting Young Corbett, the present lightweight of the world. There was some talk of matching Attell and Jimmy Britt, but the latter's manager has silenced this proposition by announcing that Britt cannot be graded down to the required weight of 128 pounds.

The money changers have done but little betting on the mill as yet, as they are waiting for an opportunity to visit the respective training quarters and see the boys at work.
